

The Healthcare Division is seeking volunteers to fill some critical gaps in our infrastructure. The rewards for volunteering are many and include opportunities for networking with healthcare experts and acquiring recertification units (RU) for ASQ certifications.

If you are interested in helping the Healthcare Division fulfill its strategic objectives and have the skills necessary to contribute, please contact Bill Dunwoody, Division Chair at whd@iioe.net.

PAR Task Group Coordinator	Organizes and leads the efforts of the Division in developing and managing strategic planning programs and the submission of all reports and paperwork related to the PAR program.
Member Advancement Chair (aka Examination and Awards)	Provides guidance to HCD members interested in advancing their membership level from Senior to Fellow. Reviews applications and makes nominations for the advancement to chair.
Programs Task Group	
<i>TC Conference Logistics Coordinator</i>	Manages all aspects of the Divisions activities at the annual TC Conference including the scheduling and management of logistics for special meetings, and all issues related to the exhibit booth (supplies requisition and purchases, set-up, staffing, break-down). This individual will be eligible for full reimbursement of the cost of attending and managing the TC Conference events.
Education Committee	
<i>HCD Technical Programs Committee Coordinator (this is an internal role and does not involve the ASQ WCI TPC directly)</i>	Reports to the Education Committee Chair. Coordinates activities related to the review of educational materials or presentations being offered by the Division for distribution to customers in print or web formats. Responsible for coordinating the review and recommendation of speakers for recognition as Division selected or sponsored presenters at local, national, or international conference proceedings.
<i>HCD Technical Programs Committee Members</i>	Works with the HCD TPC Coordinator and Education Chair to review presentations for potential inclusion in conferences, publication, and webinars.
E-Communications Task Group	
<i>Newsletter Coordinator</i>	Oversees the delivery of a monthly newsletter to members by coordinating efforts with ASQ HQ staff. Includes establishing a schedule of topics, recruiting writers, and coordinating the logistics of preparing the materials for publication.
<i>Website Program Coordinator</i>	Oversees the development and management activities of the website and is the primary program administrator for coordination of activities with the contracted Webmaster.
Healthcare Market SIGS	
<i>Accountable Care Organizations Liaison</i>	Recruits members and coordinates the activities of the Accountable Care Organizations SIG. Represents and informs the Division in matters related to the activities of the Accountable Care Organizations SIG.

<p><i>Patient Centered Medical Homes Liaison</i></p>	<p>Recruits members and coordinates the activities of the Patient Centered Medical Home SIG. Represents and informs the Division in matters related to the activities of the Patient Centered Medical Home SIG.</p>
